

Customers check for unsecured offers in seconds, from multiple lenders, with no impact to their credit score.

Why Acorn Finance?

Better experience

Customers want options without having to ask

Strong buying signal

Customers who check for offers demonstrate high level of interest in the project

More efficient sales

With our notifications, you'll know who is motivated AND their purchasing power

Save time and energy

Follow-up with the most promising leads

No risk

Help customers find other options if they don't pre-qualify knowing they have not impacted their credit score

Value add financing

Customer can self serve and get pre-qualified. Save other solutions for when you really need it

Financing Designed for Contractors

100% Online

60-Second Application

Soft Credit Pull

Pre-qualified Offers

Customer Notifications

How It Works

1. Customer submits mobile friendly application
2. Receive pre-qualified offers in 15 seconds
3. Finalize loan with lender of choice
4. Customer receives funds in as little as 1 business day
